It is with great satisfaction and pride that I commend the publication editors, staff, advisor and all who were instrumental in creating this graphic history of 1956-57 at Nestucca High School.

The review of such a history awakens us all to an appreciation of the things well done and an inspiration to work together for still greater progress.

SENIORS CLASS OF '57

The class of '57 began with sixty-four members. During the four years, the seniors have been active in athletics, activities, and organizations.

Jim Wilkins was president during the freshman year. Highlights of that year were the memorable initiation given by the sophomores, and the intramural basketball championship won by the Freshman boys.

The next year saw Duane Seufert as class president. Initiation of the incoming Frosh was the main highlight.

The Junior year was highlighted by the Junior-Senior Prom whose theme was "Jungle Rhythms". Money for this project was earned by the class operating the Junior Concession Booth.

President for both the Junior and Senior years was Jim Wilkins. The class had dwindled to thirty-four members, but those who remained looked forward to the annual Skip Day, Baccalaureate, and Graduation. Many looked beyond to college days.

JUNIORS

CLASS OF 1958

At the beginning of the year the Junior Class of 1957 started planning and preparing for the big event of the year, the Junior-Senior Prom. Under the guidance of Mr. Frangipani and Mr. Stensland the class managed to take in all the money needed, with some extra.

Using the theme of "Oriental Gardens" and with music furnished by the "Stardusters", the 1957 Junior-Senior Prom was a big success.

In intramurals the boys placed second in volleyball and first in basketball. The girls doing just the opposite, first in volleyball and second in basketball.

Looking back over the year at all the good times we had working on the prom and participating in other school activities, but now we are looking toward the future.

SOPHOMORES

CLASS OF 1959

The Sophomore Class has been very active this year. It has taken part in all of the sports, yell leading, glee, band, and some have held offices in clubs.

The next ambition was to initiate the Freshmen and to have a dance that night. After drawing names, different stunts were thought of for them to do. The Freshmen really got initiated. With the initiation over, the Sophomore Class settled down enough to start studying again.

The athletes were very active this year, with boys going out for football, basketball, baseball, and track.

The girls also turned out for sports. Almost all of the girls went out for intramurals. They were fortunate to have 8 girls chosen for the basketball team.

FRESHMEN

CLASS OF 1960

The Freshman Class has been very active during the past year. It took part in sports, band, glee, and many more activities.

The girls elected Nancy Howard, Carroll Wylie, Virginia Heady, Linda Baker, and Sheri Duvall to the Rally Club. Later, Virginia moved and Doris Cherry was elected to take her place.

After the Sophomores initiated them, a dance was given in honor of the Frosh. Later a return dance was given for the Sophs.

The Freshman Class chose Glenda Kellow to represent them for the selection of the Queen of the Homecoming Court.

Frances Jones was selected Girl of the Month for December.

Many Freshman boys were on the Junior Varsity basketball team.

Both the Freshman girls and boys were very active in intramurals.

The Freshman Class is looking forward to being Sophomores next year.

The Freshman Class wishes to thank Mr. Hanna, our advisor, for doing such a super job.

NATIONAL HONOR SOCIETY

Scholarship, character, leadership and service are the qualities stressed by the National Honor Society. This society was founded 35 years ago by a group of educators. These men realized that there should be some public recognition given for those qualities which stand not only for high scholarship but for sound character, true initiative, and distinctive service.

The Nestucca chapter of the National Honor Society, because of the large number of members graduating last year have been faced with reorganization. They have tapped new members and formally initiated them twice during the year.

Membership in this society is the goal of most underclassmen. Those who are working toward this goal realize that this is the highest honor the school can bestow on them.

TILLAMOOK COUNTY CREAMERY ASSOCIATION

congratulates the Senior Class of '57 and we are proud of the fine showing made by the entire student body of Nestucca High School during this past year.

Tillamook County has much to be proud of it's fine schools, and it's dairy products which are unexcelled anywhere in the world. We know our young people will take pride in these accomplishments and will help to further improve and perpetuate them.

TO THE READERS OF THE 1957 BOBCAT,

As adviser of this book, I have had the pleasure of working with some of the finest and hardest working people at Nestucca. The co-operation of students, faculty, administration, and townspeople has been most gratifying.

Pictures which had to be taken and retaken, deadlines which were missed, finances which kept changing are part of the yearbook which most people don't come in contact with, but which plagued the staff. To those who lived with these problems I have nothing but the inadequate thank you which can in no way express the feelings I have for you.

Thank you for your help and your work. I certainly appreciated and enjoyed every minute.

Adviser
Carolyn Jones

This Annual is the history of the 1956 and 1957 school year at Nestucca.

Within my four years at this high school, I have learned that co-operation is the most important key to everyday living.

When you look at this book, realize that it has taken the co-operation and hard work of the faculty and many students. Perhaps their school work and pleasures have suffered from organizing this book.

In the years to come please stop and think that it's going to take your co-operation to make the school's annual.

It has been my pleasure to work with you and I would like to thank each one personally that worked with me.

Au revoir¹
